## Industries We Serve

### Food & Beverage

End-to-end capabilities in this sector, covering everything from individual plant components to fully integrated, **turnkey industrial solutions**.

### Dairy Industry

Comprehensive expertise in the dairy sector, ranging from individual plant segments to complete, **fully integrated factory solutions**.

### Chemical Industry

Expertise in delivering **advanced process solutions**, with a strong focus on CIP (Clean-in-Place) systems, from standalone units to fully integrated industrial installations.

### Defense Industry

Advanced, **sensitive systems** for the production of critical raw materials within the defense industry.
